INSTRUCTIONS

Please read carefully before returning the completed form to the Washington County Water Conservancy District (WCWCD)

1. This application is for stated use only.
2. All sections must be complete. If a section is not applicable, fill in with "N/A."
3. All information must be reviewed and accepted by WCWCD.
4. Septic density requirements must be met.
5. All wastewater treatment must be approved by WCWCD.
6. The preliminary plat and all plans submitted or to be submitted to the county must also be submitted to WCWCD (electronic form preferred).
7. If preliminary requirements are met, WCWCD will prepare a Preliminary Feasibility Will-Serve Letter (applicant will still need final subdivision approval by WCWCD after the Preliminary Feasibility Will-Serve Letter and prior to WCWCD's execution on the final plat).
8. Wastewater approval must be received by Southwest Utah Public Health Department and/or Department of Environmental Quality.
9. All applicable rules and regulations of WCWCD must be followed.
10. Any applicable fees must be paid by check made payable to "WCWCD."
11. Petition and Agreement for approval of onsite wastewater system on subdivision must be executed by owner.
12. The required wastewater system(s) must be on the final plat.
13. A signature for the WCWCD must be on the final plat
14. The final plat must be received (electronic form preferred) for review prior to WCWCD's execution of the final plat.
15. Approval and execution of final plat.
