INSTRUCTIONS

Please read carefully before returning the completed form to the Washington County Water Conservancy District (WCWCD)

1. This application is for stated use only.
2. All sections must be complete. If a section is not applicable, fill in with "N/A."
3. All information must be reviewed and accepted by WCWCD.
4. Septic density requirements must be met. One septic per parcel.
5. If septic density requirements are met, WCWCD will prepare and email (or Applicant will hand deliver) a **Septic Density Authorization Letter** to Southwest Utah Public Health Department (SWUPHD) authorizing Applicant to proceed with approval by SWUPHD.
6. Upon receipt of issuance of **Septic System Permit to Proceed** by SWUPHD, WCWCD will issue final certification, subject to the following conditions:
 - a. SWUPHD permit approval
 - b. Applicable fees must be paid
 - c. **Wastewater Petition and Agreement** must be signed and notarized
 - d. All applicable rules and regulations of the WCWCD must be followed
7. This commitment is for a period of one year.
8. This fully-executed **Onsite Wastewater System Application and Certification** is delivered to Washington County Community Development Department (Planning and Zoning), 197 East Tabernacle, St. George.
9. Applicable forms, studies and materials can be found on the WCWCD's website: wcwcd.org.
